Dear Judge Barrett:

This letter is a follow-up to my discussion with your courtroom deputy regarding the settlement of all issues in the above-referenced adversary proceeding. I am sending this letter so that the hearing scheduled for August 4th on the NCO motions with Plaintiff responses may be removed from the calendar. Ken Grace joins in this request. By copy of this letter I am notifying all parties. Should the court require an announcement on the record, I can make myself available.

The parties will file either a consent order or joint stipulation of dismissal within 20 days of the scheduled hearing. If anything else is required to remove the matter from the calendar, please let me know.

Very truly yours,

Zane P. Leiden
